Attention: **Mail Stop Issue Fee**
Honorable Commissioner of Patents

Sir:

SUBMISSION OF EXECUTED ISSUE FEE TRANSMITTAL FORM PART B

A courier package was sent in error to the US Patent & Trademark Office with respect to payment of the government issue fee for the above-referenced application. The package contained an unsigned Issue Fee Transmittal form, Part B. The US Patent Office accepted the package and cashed the check in payment of the issue fee. The unsigned Issue Fee Transmittal and Fee Address were accepted and entered into the record. A copy of the documents from the Private PAIR System are enclosed.

As the issue fee was due by November 9, 2006, we are submitting, for the record, a copies of the filed documents which have now been signed. The fees, which have already been accepted, should be applied against these signed documents.

Appl. No. 09/976,522

It should be noted that the applicants have checked the box to show that they qualify as a small entity, and therefore the fees were submitted based on a small entity.

It would be appreciated if these documents were entered to show that all requirements were timely met with respect to payment of the issue fee, which is due on November 9, 2006.

Respectfully submitted,

DOWELL & DOWELL, P.C.
